Outreachy is a proud member project of the Software Freedom Conservancy non-profit

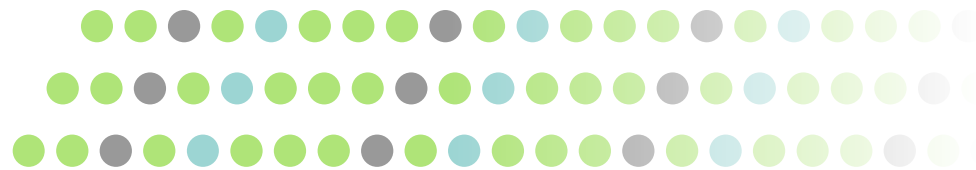

Software Freedom democratizes technology...

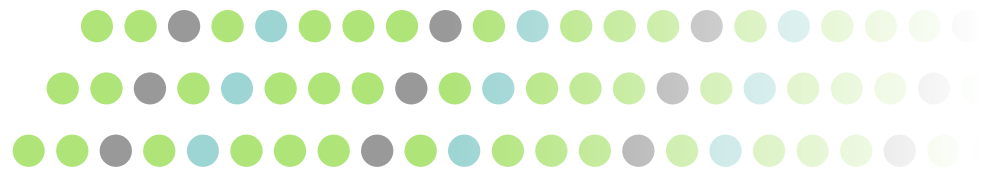

What are we overlooking?

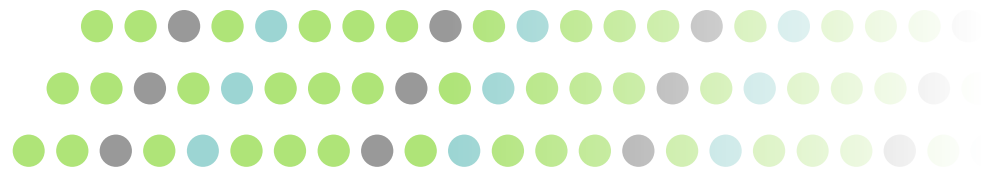

If people and companies don't follow the rules does it matter that we have them?

“if you drop outreachy I'll start donating...”

Public Lab and Karen Sandler are 2017 Free Software Awards winners

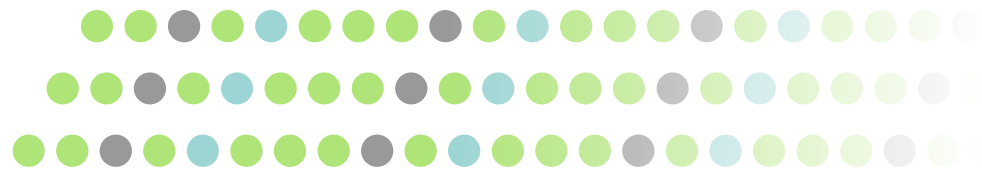

This year, it was presented to Karen Sandler, the Executive Director of the Software

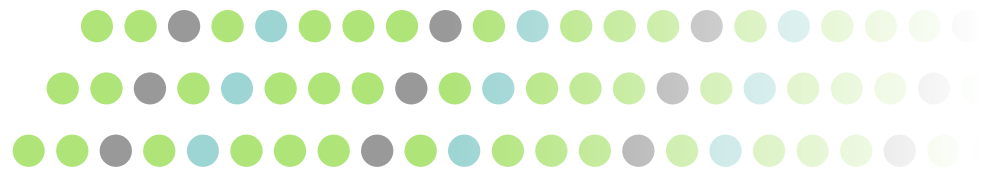

I used to be against diversity programs...

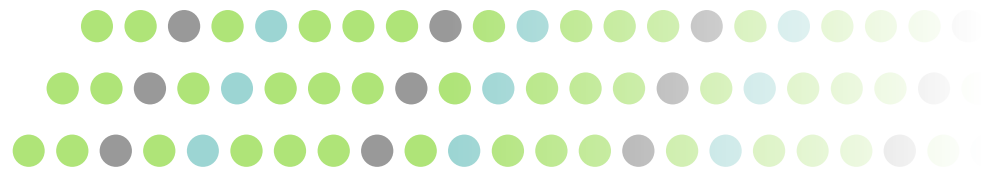

...now I know they are
essential

I used to think “open source”
was “cool”...

...now I know software freedom
is essential

Software freedom is a
cornerstone of
ethical technology

We need to make sure that software freedom is healthy, supported, inclusive and taken seriously.
